

Community Living VICTORIA

Different abilities. One community.

You are invited to participate in our 19th annual **Reach for the Stars** campaign. This seasonal fundraising campaign has helped us to raise over **\$70,000** in the past **18** years. Once again, we are asking you to share in the gift of giving and support people with developmental disabilities in our community.

This year's goal is to raise **\$25,000**.

You can access a list of Christmas gift ideas, seasonal activities, and much needed items for the men, women, and children we support. Community Living Victoria will make all the necessary arrangements on your behalf and ensure that 100% of your gift goes toward the items you have selected.

Please send the gift of your choice to us by printing off the reply card, checking off your selection and return it with your donation to the address below. You can also charge your donation to your credit card by calling 250-477-7231 ext 0 or by going to our website at www.communitylivingvictoria.ca and clicking on the "Donate Now" link. Please remember, **your donation is tax deductible**.

If you are a member, or would like to become a member of Community Living Victoria, please access our membership application/renewal form.

Thank you for your continued support and have a safe and happy holiday season.

Sincerely,

Frank Bourree
President
