# BC Election 2017 Toolkit

## *Join, Connect, Discuss & Vote!*

Inclusion BC invites you to join us in pursuing our vision of a province where we all belong. A province where each child has the love and support they need to thrive and achieve their full potential. Where families and communities are empowered, providing a welcoming and supportive place for all. Where the barriers to inclusion and full citizenship are broken down, allowing all citizens, including those with developmental disabilities, to realize their right to live full lives with the dignity of knowing that in BC, we all truly belong.

- Print & share our complete [BC Election 2017 Toolkit](#), including background and questions for candidates on our four priority issues.
