# 10 THINGS ABOUT Family Support

1. We support families who have children or an adult in the family with an intellectual disability or Autism
2. We work in the Greater Victoria, Westshore and Peninsula areas
3. Family Support assists individuals and their families to navigate and collaborate with government systems
4. We connect people to community resources and services
5. We provide learning opportunities on a variety of topics
6. We provide transition information, support and resources for youth moving into adulthood
7. We coach families in how to advocate effectively
8. We support the family, not just the individual
9. We produce a monthly e-newsletter full of local resources and information
10. You can self-refer to this free service
