Executive Director's Year End Message

It's been an incredible year at Community Living Victoria. We successfully completed another accreditation survey without any recommendations, we enjoyed some new events such as "Comedy for a Cause" and the Walter P Chrysler Car show along with some other great profile raising activities. I would like to express my sincere thanks, to the people we support, our staff, their families, our sponsors, board members and volunteers. Together we make a huge difference in our community and I am excited for what 2025 has in store for CLV.

Thank you to the Sovereign Order of St. John and the Times Colonist Christmas Fund!!

We are so excited to share that we received a \$5000 grant from the Sovereign Order of St. John and the Times Colonist Christmas Fund to go towards our newly established Food Security Fund.

As food costs have continued to be a challenge we have established this fund to ensure we can continue to cover all our food expenses.
