

Our Mission:
Community Living Victoria supports people with intellectual disabilities together with their families and support networks by promoting their full citizenship and inclusion in community

Our Vision:
Individuals with intellectual disabilities and their families are included and valued in all aspects of community life

Hope.
Help.
Home.

Our Strategic Directions 2021-24

People get the support they need and in the way they want it

#1: CLV will focus on the accessibility needs of our existing community homes and programs.

#2 CLV will develop internal resources to support individuals with health and/or multiple complex needs.

#3 CLV will redesign existing services to meet individual needs.

People are living in safe and affordable housing of their choice

#1: CLV will create affordable housing opportunities.

#2 CLV will advocate for and offer various housing options.

CLV has a diverse, engaged, and stable workforce

#1: CLV will make succession a priority at all levels of the organization.

#2 CLV will develop recruitment and retention strategies to support a diverse and stable workforce.

#3 CLV will implement strategies to address the feedback received from the Guarding Minds at Work surveys.

CLV is a leader in the provision of sustainable and innovative services

#1: CLV will explore current innovative practices and opportunities.

#2 CLV will utilize technological advances that assist in creating efficiencies and enhancing security.

#3 CLV will be adequately funded for the services that we provide.

#4 CLV will raise its public profile.
