For more than 30 years, Employment Services has been connecting employers with dynamic and dedicated employees. Employment Specialists support the long-term success of people we place, resulting in a diverse and inclusive workforce.

- ▶ 90% of people with disabilities rated average or better on job performance
- ▶ Retention rates are 72% higher among employees with disabilities
- ▶ Canadians with disabilities provide a talent pool of over 645,000 working age persons
- ▶ Persons with disabilities represent \$55.4 billion in spending power in Canada. This number grows to \$366.5 billion when factoring in their friends and family
- ▶ Customers show strong preference for spending money with businesses that employ people with disabilities

Contact Community Living Victoria's Employment Services, and access this ready, willing and capable workforce!
